EMRISE Corporation Conference Call Scheduled to Report 2007 Fourth Quarter and Year-End Financial Results

Rancho Cucamonga, Calif.—March 24, 2008—EMRISE CORPORATION (NYSE Arca: ERI), a manufacturer of proprietary electronic devices and communications equipment for aerospace, defense, industrial, and communications applications, announced today that it will release, before the market opens on Monday, March 31, 2008, its financial results for the fourth quarter and year ended December 31, 2007.

A conference call with management is scheduled for 8:30 a.m. PDT (11:30 a.m. EDT) that same day to discuss the Company's financial results for 2007 and business strategy and outlook for 2008. To join the call, dial toll-free (877) 407-8031 five minutes prior to the scheduled start time. For callers outside the United States, dial (201) 689-8031.

A live web cast of the call may be accessed at <http://www.investorcalendar.com>. An archived replay of the webcast will be available shortly after the call for 90 days through the same web link listed above or via telephone toll free at (877) 660-6853 and for callers outside the U.S. (201) 612-7415, conference ID #279429 and account number 286. The telephone and webcast replay will be available for 90 days.

About EMRISE Corporation

EMRISE designs, manufactures and markets electronic devices, sub-systems and equipment for aerospace, defense, industrial and communications markets. EMRISE products perform key functions such as power supply and power conversion; digital and rotary switching; RF and microwave transmission; and network access, including timing and synchronization of communications networks carrying wireline, wireless, and cable data, voice, and video. Primary growth driver applications for EMRISE products include commercial avionic "In-Flight Entertainment and Communications" products and communications "Network Timing and Synchronization" equipment. EMRISE serves customers in North America, Europe and Asia through operations in the United States, England, France and Japan. The Company has built a worldwide base of customers including all of the Fortune 100 in the U.S. that do business in markets served by EMRISE and many similar-size companies in Europe and Asia.
