### EMRISE CORPORATION ANNOUNCES THIRD QUARTER 2007 FINANCIAL RESULTS CONFERENCE CALL

RANCHO CUCAMONGA, Calif., November 7, 2007 - EMRISE CORPORATION (NYSE Arca:ERI), a multi-national manufacturer of defense and aerospace electronic devices and communications equipment, today announced that it will hold a conference call to discuss the Company's second quarter financial results on Monday, November 12, 2007 at 11:30 a.m. EST (8:30 a.m. PST).

The company will also release its results in a press release on Monday, November 12, 2007.

During the call, management will focus on third quarter results, backlog as of September 30, 2007 and the Company's optimistic prospects for the fourth quarter of 2007 based upon shippable September 30, 2007 backlog and bookings prospects for the remaining three months of 2007. The company will also provide an update regarding its current efforts on acquisition opportunities and also regarding possible financing arrangement for such activities.

To participate in the conference call, dial the following phone number 5 to 10 minutes prior to the scheduled conference: 877-407-8031. International callers should dial 201-689-8031. There is no pass code required for this call.

This conference call will also be broadcast live over the Internet and can be accessed at <http://www.investorcalendar.com/>. To listen to the live call, go to the Web site at least 15 minutes prior to the start of the call to register, download and install any necessary audio software.

For those unable to participate during the live broadcast, a replay will be available shortly after the call on the Vcall site for 90 days. Also, for 90 days after the conference call, a replay will be available by dialing the toll-free number 877-660-6853 and for international callers 201-612-7415. The conference ID number of "261310" and Account number of "286" should be used to access the recording by phone.

### **About EMRISE CORPORATION**

EMRISE Corporation is a multi-national manufacturer of defense and aerospace electronic devices and communications equipment. EMRISE's electronic devices group, which consists of EMRISE Electronics Corporation and its international subsidiaries, provides power conversion, RF devices as well as digital and rotary switches to the North American, European and Asian electronic market. These products are primarily used for defense, aerospace and industrial applications. EMRISE's communications equipment group, consisting of CXR Larus Corporation and its subsidiary CXR Anderson Jacobson, provides network access and timing and synchronization products to the North American, European and Asian communications industry. Founded in 1983, EMRISE operates out of facilities in the United States, England, France and Japan. As October 31, 2007, EMRISE had a total of 298 employees in its various subsidiaries and divisions. Website: [www.emrise.com](http://www.emrise.com). Listed on NYSE Arca under the ticker symbol: ERI.

### **Safe Harbor Statement Under the Private Securities Litigation Reform Act of 1995.**

*With the exception of historical information, the matters discussed in this press release, including without limitation, statements regarding the optimistic prospects for the fourth quarter of 2007, are forward-looking statements that involve a number of risks and uncertainties. The actual future results of EMRISE CORPORATION could differ from those statements. Factors that could cause or contribute to such differences include, but are not limited to, our ability to manufacture and ship current and future orders, the ability to obtain new business or to build upon existing business with new or existing customers, unforeseen technical issues, and those factors contained in the "Risk Factors" Section of the Company's Form 10-K for the year ended December 31, 2006 and other Company filings.*
